MESK EVENTS

Premium Music & Cultural Entertainment Partner *For Hotels, Embassies, Corporations & Institutions*

Company Profile

MESK EVENTS is a professional music and entertainment company based in Doha, Qatar, delivering curated live performances, cultural and artistic programming, music education and technical audio solutions for high-end hospitality venues, diplomatic missions, corporate clients and institutions. Established in 2022, the company has built a reputation for reliability, cultural sensitivity, professionalism and artistic excellence, providing tailored entertainment experiences locally and internationally with high operational standards.

MESK EVENTS blends cultural authenticity with contemporary production, positioning music not merely as entertainment as our approach goes beyond booking performers; we design complete musical environments that enhance brand image, atmosphere, identity, guest experience, and event objectives.

Our Expertise

Live Music & Performance Programming

MESK EVENTS represents a carefully selected roster of professional musicians, bands, DJs, and live performers with international experience. Our repertoire includes:

- Turkish, Arabic, Greek, Spanish, English, and international music
- Lounge, jazz, acoustic, classical crossover, and world music
- Ethnic House and live-electronic fusion
- Background ambience or high-impact headline performances

Performances are customized to suit venue type, audience profile, cultural context, venue acoustics and timing, whether for a diplomatic reception, corporate gala, hotel brunch, or private VIP gathering.

Hospitality-Focused Entertainment Solutions

For hotels and luxury venues, MESK EVENTS offers long-term and short-term entertainment programming designed to elevate guest satisfaction and brand positioning:

- Resident musicians and rotating artist line-ups
- Lobby, lounge, poolside, brunch, and rooftop entertainment
- Seasonal concepts, cultural nights, and themed evenings
- Ramadan, national celebrations, and special calendar events

Our team works in close coordination with hotel management and F&B teams to ensure volume control, visual presentation, and performance flow align with international hospitality standards.

Embassy & Cultural Institution Services

MESK EVENTS understands the protocol, discretion, and cultural sensitivity required for diplomatic and institutional events. Our services include

- National and cultural music performances
- Protocol-aware stage setups and artist presentation
- Refined background music for receptions and official gatherings
- Multicultural ensembles representing diverse identities

All performances are curated with respect for cultural nuance, discretion, and institutional expectations.

Corporate & Private Event Entertainment

For corporate clients, MESK EVENTS delivers reliable, high-quality entertainment that supports brand values and event goals:

- Product launches and corporate celebrations
- Conferences, gala dinners, and award ceremonies
- Brand activation and client appreciation events
- Executive and VIP private functions

We understand the importance of punctuality, dress code compliance, sound control, and seamless coordination with event planners and technical teams.

Music Education: Private Lessons & Lectures

MESK EVENTS offers **private music lessons and educational lectures** designed for individuals, institutions, and organizations seeking high-quality music education and cultural enrichment.

Private Music Lessons

- One-on-one and small-group instruction
- Instruments and vocal training (subject to availability)
- Suitable for beginners, intermediate, and advanced students
- Flexible scheduling for adults, children, and professionals

Lessons may be conducted:

- At our rehearsal and studio facilities
- On-site at hotels, embassies, schools, or private residences
- As part of long-term educational or cultural programs

Music Lectures & Educational Sessions

MESK EVENTS also provides structured music lectures and presentations, ideal for cultural institutions, embassies, corporate wellness programs, and educational events. Topics may include:

- Music cultures of Turkey, the Arab world, and the Mediterranean
- Traditional instruments and their historical context
- Contemporary fusion styles and Ethnic House concepts
- Music appreciation, listening techniques, and performance insight

Lectures can be delivered as:

- Standalone educational events
- Interactive demonstrations with live musicians
- Part of cultural weeks, workshops, or institutional programs

Music Production & Creative Services

Beyond live events, MESK EVENTS offers professional music production services:

- Studio recording and arrangement
- Custom music creation for events, brands, and media
- Artist rehearsal spaces and creative development support

These services allow clients to request musical concepts rather than standard off-the-shelf performances.

Instrument- Audio Equipment Rental & Technical Support

MESK EVENTS provides integrated technical solutions to ensure flawless execution:

- Musical instrument rental
- Professional audio equipment
- Sound system setup and operation
- On-site technical supervision

By offering both talent and technical services, we reduce operational complexity and ensure consistency across all event elements.

Professional Standards & Values

MESK EVENTS acts not merely as a supplier, but as a long-term entertainment partner.

- Carefully vetted professional musicians and performers
- High production and sound-quality benchmarks
- Cultural awareness and international professionalism
- Flexible solutions tailored to client needs

Geographic Coverage

- Doha and all regions of Qatar (International bookings available in GCC, MENA & worldwide)

Web Presence & Social Media

MESK EVENTS maintains an active digital presence, showcasing our portfolio, services, and recent projects across official platforms. These channels provide clients and partners with direct insight into our artistic direction, production quality, ongoing activities, visual references, event highlights, and updates.
